

**Commission of Inquiry
into the Diaphragm Wall and Platform Slab Construction Works
at the Hung Hom Station Extension
under the Shatin to Central Link Project**

Notice of Preliminary Hearing (24 September 2018)

The preliminary hearing of the Commission of Inquiry into the Diaphragm Wall and Platform Slab Construction Works at the Hung Hom Station Extension under the Shatin to Central Link Project (“the Commission”) will be held at 10:00 a.m. on 24 September 2018 (Monday) at the hearing room on 1/F of the former Tsuen Wan Law Courts Building, 70 Tai Ho Road, Tsuen Wan, New Territories, Hong Kong. The hearing is open to the public and there will be live video / audio broadcast of the proceedings at the hearing transmission gallery and hall area next to the hearing room.

Access to the Hearing Venue

2. Members of the public attending the hearing are advised to use the main entrance of the former Tsuen Wan Law Courts Building at Tai Ho Road (“the Building”), and follow directions to go to the hearing venue. Parking spaces will not be available. A map and photo of the Building may be found in the Appendix.

Seating Arrangements

3. Given physical constraints, seats inside the hearing room are limited and will be reserved for the legal teams for the Commission, the involved parties and parties who have been given permission by the Commission to attend the hearing. Members of the public will be seated in the hall area next to the hearing room, and, if necessary, also in the hearing transmission gallery next to the hearing room. All persons have to register when entering the Building and the registration counter will start operation at 9:30 a.m. on each hearing day.

4. The above arrangements for the preliminary hearing will also apply to the substantive hearings to be conducted by the Commission.

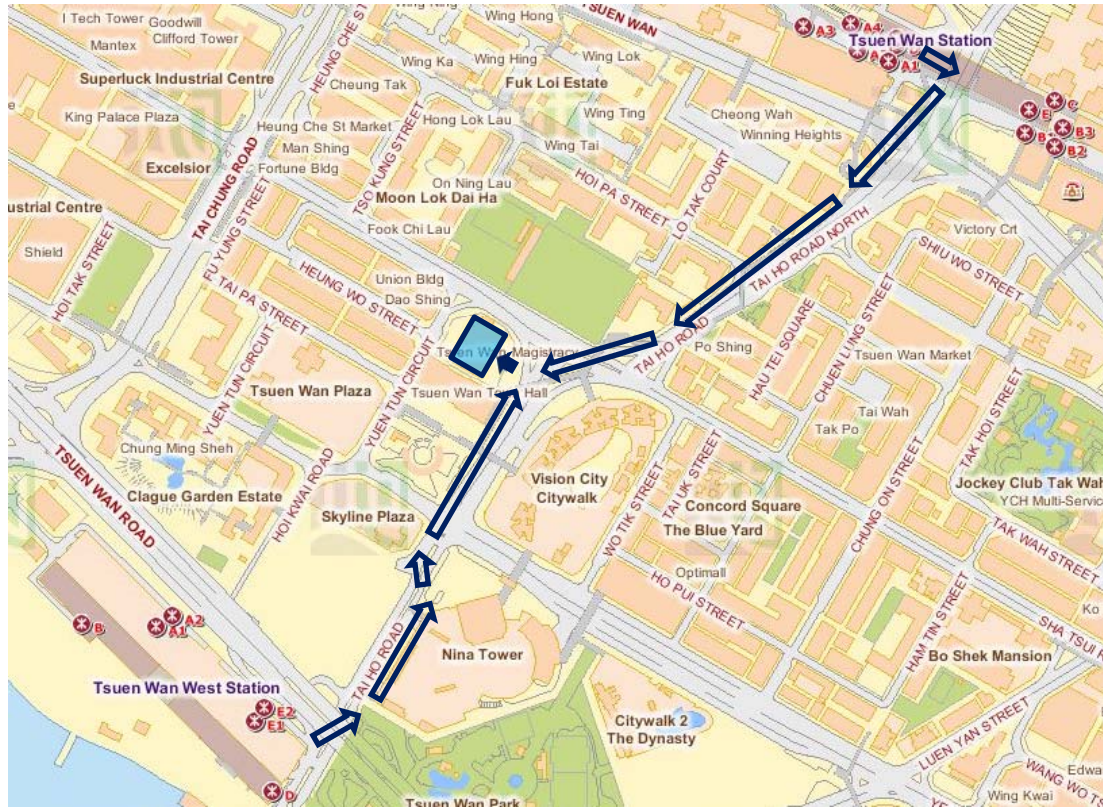

Photography and Audio / Video Recording

5. The Commission has directed that, without its specific authorisation, throughout the entire period of hearings, no photography or audio / video recording is permitted inside the hearing room, hearing transmission gallery, hall area and other areas within the Building.
