

**Commission of Inquiry into the Construction Works at and near the Hung Hom Station  
Extension under the Shatin to Central Link Project**

---

**SECOND WITNESS STATEMENT OF ALAN YEUNG**

---

---

I, Alan Yeung of 39/F Sun Hung Kai Centre, 30 Harbour Road, Hong Kong, say as follows:

1. I refer to my first witness statement dated 17 May 2019 (“**First Witness Statement**”). Unless otherwise stated or the context otherwise requires, any abbreviations shall bear the same meaning as in my First Witness Statement.
2. I make this second witness statement as supplemental witness statement to my First Witness Statement, to correct paragraph 21 of my First Witness Statement.
3. Unless otherwise stated, the facts stated herein are within my personal knowledge and are true. Where the facts and matters stated herein are not within my own knowledge, they are based on the stated sources and are true to the best of my knowledge.

**Summary table for the HHS**

4. I would like to correct paragraph 21 of my First Witness Statement in which I refer to a table prepared and disclosed by Leighton summarising the records of the formal inspections for rebar fixing and pre-pour checks for the HHS (numbered **LCAL.HHS.2.01** in the Index). I have not confirmed or checked the accuracy of the table. I would like to clarify and correct that I submitted most of the RISC forms for the formal inspections that I was responsible for in the HHS, with the exception that I did not submit forms for 27 out of the 66 relevant formal inspections in that area. The details are as follows:
  - (a) I did not submit a RISC form for 12 out of the 40 rebar fixing inspections; and

(b) I did not submit a RISC form for 15 out of 26 pre-pour check inspections. However, I completed the RISC form for the rebar fixing inspections for 6 of those concrete pours.

Dated the 23 day of May 2019.

Signed:  \_\_\_\_\_

**Alan Yeung**
